

Discovery Community Church is a young, growing, urban church in the heart of Tacoma, Washington. We are captivated by the gospel, growing in diversity, and eager to multiply. God has been continually growing this church, and we are moving toward the next steps in multiplication of services and campuses - and this pastoral role will be essential in positioning Discovery to do so. We are inviting a leader to share our call and mission to this vibrant city.

JOB DUTIES & RESPONSIBILITIES:

The Central Campus Pastor, under the leadership of the Lead Pastor, will operate as a key member of our executive team and will take primary responsibility for creating a culture of connection. Our weekend experiences are essential for the gospel, and the Campus Pastor will lead weekend teams that host guests, create community, and multiply new leaders.

The Tacoma Central Campus Pastor will also equip Discovery to be a multiplying church by developing and implementing ministry systems that facilitate communication and growth.

The role will require modeling gospel engagement in central Tacoma while helping teams do the same. The Tacoma Central Campus Pastor will have strong communication and care skills, experience leading successful teams, and ability to execute mission.

The Campus Pastor will find Discovery to be a high-performing environment valuing continual learning, ministry contextualization, teamwork and an utter dependence on God.

QUALIFICATIONS:

- An ache for the movement of God in our generation
- Ability to intentionally connect with individuals in large environments
