

Director of Mobilization: Young Adults

Discovery Community Church is a young, growing, urban church in the heart of Tacoma, Washington. Tacoma is a Pacific Northwest city rich with diversity, surrounded by beauty, and desperate for Jesus. We are a church captivated by the gospel, growing in diversity, and focused on multiplication. We are looking for a catalytic young leader eager to develop and deploy teams focused on reaching, connecting, and sending the next generation.

JOB DUTIES & RESPONSIBILITIES:

This director position will operate as a key member of our executive team and will take primary responsibility for developing teams to reach and connect young families, young singles and students.

We are looking for applicants with a strong bias toward multiplication and kingdom growth. The applicant will find Discovery to be a high-performing environment valuing continual learning, ministry contextualization, teamwork, and an utter dependence on God.

The role will require modeling gospel engagement in central Tacoma. The role will require developing multiplying on mission groups with multiplying on mission leaders. This leader may lead and facilitate large gatherings. The person filling this role will have a vibrant relationship with Jesus, strong communication skills, a heart for care, experience leading successful teams, and ability to execute mission.

This role will be ideal for a young leader eager to grow in leadership, reach an urban context, and develop skills necessary to lead a team to launch a future campus.

QUALIFICATIONS:

- An ache for the movement of God in our generation
- Effective in contextually communicating the gospel
- A vibrant personal relationship with God
- Ability to intentionally engage young families, young adults & students
- Ability to recruit, build, inspire, & lead multiple teams
- Ability to communicate effectively in both one-on-one and large group environments
- Ability to continually learn
